

TRILUX BLACKJACK

TriLux Bonus is an optional bonus wager that pays based on the poker value of three dealt cards, using the player's first two initial cards and the dealer's up card.

To begin each round a player must make their regular Blackjack wager in order to place a TriLux Bonus wager. Once the players have two cards, the dealer settles TriLux Bonus wagers. If players have a poker hand, the dealer pays according to the following pay table.

Player's Poker Hand	Payout Odds
Mini Royal (A,K,Q Suited)	100 to 1
Straight Flush	35 to 1
Three-of-a-Kind	33 to 1
Straight.....	10 to 1
Flush.....	5 to 1

Side wagers are prohibited.

TRILUX EXCEPTIONS TO BLACKJACK

1. The TriLux introduction is the same as for Blackjack, except that:
 - A. The TriLux is an optional bonus bet for Blackjack that considers the first two cards the players receive and the dealer's up card.
 - B. The first three cards as described in the pay table above is based on the poker hands of Mini Royal (A,K,Q) Straight Flush, 3-of-a-Kind, Straight and Flush.
 - C. To begin each round, players make their regular blackjack wagers and optionally the TriLux Bonus Wager.
 - D. Once the players have two cards, the dealer settles the TriLux Bonus Wagers. If players have a poker hand, they are paid according to the pay table.
